

Teign Angling and Conservation Association

Going,going? Time for Action

Project Officer Contract 2021-2023

(Equivalent to £27,600/yr)

Do you share our passion for the River Teign and conserving its special migratory fish? Can you inspire and recruit a small army of volunteers to undertake practical habitat improvement work? The Teign Angling & Conservation Association is leading a 4 year project which aims to increase the numbers of Sea Trout and Salmon to be found in the River and to raise awareness of these special fish. If you are a self-employed and would like to know more about this unique opportunity contact David West (west@beara.plus.com or Tel 07534 862714 for an **Invitation to Tender application**.
